1. Company Background and History

FLEET CARGO INDIA is a well-established road freight transport and Contractor Firm, located just Gurgaon, Bangalore & Mumbai. The business transports a variety of general cargo and goods between All Over India, and also offers a dedicated overnight road freight courier service between Bhiwandi and the central and All Over India.

From its humble beginnings in 2019, the company started out as a home based transport business with the acquisition of a medium sized truck. the business expanded its services in all over India, and since then the business has grown substantially and also had to open a depot in Bangalore & Haryana to cater for an ever increasing demand for its services. The company also had to increase its fleet of trucks which is currently standing at 9 X 32 ton trucks (interlinks) with various smaller delivery trucks and pick-ups.

Due to its expansion the business also had to relocate to a larger more suitable premises.

2. Mission

Its goal is to provide the highest level of transportation services as well as safe and timely deliveries, with fair and competitive pricing while providing a safe workplace for employees and maintaining integrity, fairness and honesty with customers and business partners.

FLEET CARGO INDIA'S mission is to become the recognized leader in Gurgaon Transport Industry

3. Vision

Fleet Cargo India's vision is to become the recognized leader in Gurgaon transport industry for long and short distance trucking and transportation of goods.

4. Products and Services

Freight Transport

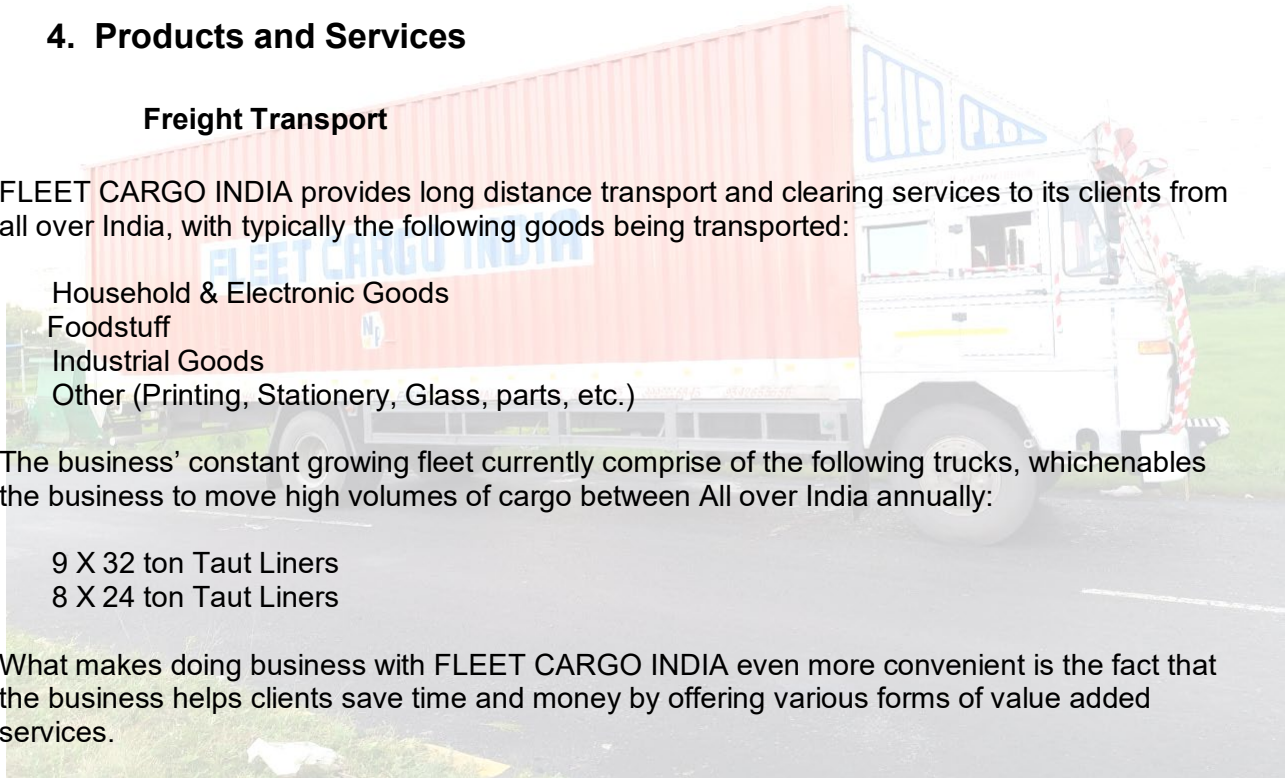

FLEET CARGO INDIA provides long distance transport and clearing services to its clients from all over India, with typically the following goods being transported:

- Household & Electronic Goods
- Foodstuff
- Industrial Goods
- Other (Printing, Stationery, Glass, parts, etc.)

The business' constant growing fleet currently comprise of the following trucks, which enables the business to move high volumes of cargo between All over India annually:

- 9 X 32 ton Taut Liners
- 8 X 24 ton Taut Liners

What makes doing business with FLEET CARGO INDIA even more convenient is the fact that the business helps clients save time and money by offering various forms of value added services.

-  Information on delivery (IOD's) is conveniently available to all our clients.
-  All vehicles are fully equipped with satellite tracking devices for real time tracking.
-  Drivers and vehicles are 100% hatched compliant.
-  Well maintained fleet, trained drivers and friendly administrative staff ensures a competent and efficient service.
-  An organized claims procedure to ensure Goods In-Transit and third party claims are handled in the most cost effective manner to minimize disruptions in our client's schedules.
-  Fleet Cargo India Trucking also provides a delivery service whereby it delivers goods to clients at their place of business, as and when required.

These added benefits are personalized and increases customer satisfaction and loyalty.

-  **Quality of Service** – SBS Trucking provides customers with courteous, prompt, and dependable service. The company has built up a reputation for timely deliveries and the best drivers in the industry.
-  **Competitive Rates** – The business will always endeavour to provide competitive rates to its customers, because it strives to keep costs as low as possible, without sacrificing on service quality.
-  **Reliability** - SBS Trucking tends to go out of its way to deliver goods on time and have highly trained and dedicated staff which ensures smooth running of operations. The key is not to over promise and under deliver, but to be honest and transparent at all times.
-  **Package handling** - By maintaining dependable and safe equipment, the company ensures that there is no damage to customer's cargo.

Our most important key to maintaining and developing successful business relationships and operations is the ability to consistently deliver high quality transport services at affordable prices. And with the persistent rise in fuel prices, management continually develop and implement cost effective and efficient strategies to minimize customer rate increases.
